**Mirai Stage 1** is the first stage of an imaginative, fully integrated six-level course. It is designed to enable all students to successfully complete the first stage of their study of Japanese and thus encourages them to continue.

**Mirai** provides:

- \* fully illustrated, interesting materials which promote interactive activities to develop the skills of listening, speaking, reading and writing
- \* examples of polite, natural language of immediate usefulness, and idiomatic expressions to allow students scope to express themselves
- \* a unique approach to the introduction of hiragana which enables students to progress from syllables to words and sentences quickly and smoothly
- \* an introduction to simple kanji
- \* a wide range of activities to cater for the mixed ability classroom
- \* clearly written self-help sections
- \* opportunities for students to evaluate and check their progress
- \* opportunities for students to consider how Japanese works
- \* a wide range of materials, including Internet references, to enable students to find out about Japan and Japanese culture
- \* content and outcomes which are in line with the National Curriculum Guidelines Stage 1.

Each stage of **Mirai** includes:

- \* Course Book.
- \* Language Activity Book.
- \* Cassettes or CD.
- \* Teacher's Book.
